

Future Students:

Complete Your Enrollment

Interest in BHA is increasing, and with limited spaces available, many age/grade levels will fill quickly. In order to get the process started, it is essential that you **complete the next steps to reserve your child's space** for the upcoming year. Any special requests will be considered on a first come, first served basis and are dependent upon the number of open spaces available in each class. However, please understand that all of our teachers are skilled and talented and will be collaborating together as a team in order to give our students the best possible experience. Regardless of teacher, your child will get the BHA level of attention and care.

Step 1: Complete the Enrollment Packet

Step 2: Pay the Non-Refundable Deposit

- \$1000 for Toddler/Primary/Elementary Students and \$1200 for Middle School Students.
 - This will hold your spot for the next school year (2022-2023).
 - Current students will be prioritized until March 11, 2022. After that point, open enrollment will commence.
